## Addendum No.: 7

## Project #: E2O66

### Financial Project #40681365201

### Federal Project # 2803 004S

**Title of Project:** The Florida Department of Transportation (Department), District 2 has identified this Federal project for Design Build for a Bridge Replacement on Bridge #290042, Olustee Creek, County Road 245, Columbia County. The road is to be detoured during replacement. The location of this project is southeast of and within 15 miles of Lake City, Florida, in northeast Florida. **Project length is .663 miles in Columbia County.**

**By receipt of Addendum 6 the bid price due date and time changed to June 10, 2010. In addendum 6 we moved all dates out one week to accommodate the following changes.**

1. Design Build Teams shall include in their bid price the following work at Old Providence Baptist Cemetery Drive located at approximate station 47+77.

Pending an agreement with Old Providence Baptist Church, the existing driveway into the cemetery should be paved an "additional minimum" distance of 30 feet east of the CR 245 right-of-way in order to flatten the driveway profile. This work may include the use of concrete wall to tie to the existing ground.

2. In addition, all drives within the project limits shall be constructed in accordance with Index 515 and paved as described in Addendum No. 5. No existing driveway shall be reduced in width.

**Ensure that you have changed all of the bidding documents that have the date of the opening of June 3, 2010 to June 10, 2010. Please initial the change date on the bid documents.**

Please sign, date and email a copy of this addendum back to me today to indicate receipt. A copy of this addendum is to be returned with your bid.
